

# Print Services for Trailblazers

Take a bold new direction with your enterprise-wide strategy.

Soar to new heights for reliable, consistent, secure fulfillment of printed materials by connecting to our Nationwide Production Network.

Simplify ordering and streamline workflows with centralized content management and print procurement. With our distribute-and-print model no equipment is needed. Jobs are ordered online and files are automatically routed in the cloud to our production location closest to the delivery or pickup address.

Provide flexibility to business travelers; imagine placing an order in Orlando and picking it up in Portland!

## DOCUMENT PRINTING

All employees can print their everyday business documents with self-service online ordering. Immediate digital proofing, approved corporate pricing, and optional integration with your purchasing systems speed up the process.

Experience the utmost in version control, brand compliance and consistent quality across network locations. Departments can provide frequently ordered, branded documents in the portal catalog for controlled customization and print ordering by approved users.

## DOCUMENT HANDLING

Choose to have your order fulfilled and shipped from a secure closed-door production facility or produced at one of our ~850 retail partners for local pickup.

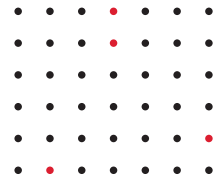

Kitting and fulfillment services free up staff for other tasks.

## BUDGET FRIENDLY

Free yourself from fixed costs with this pay-as-you-go model. Leverage our equipment in the network and only pay for the prints you order.

Reduce waste from outdated materials and save on warehousing costs with on-demand printing.

Realize your creative potential.

Moving print production outside of your four walls provides access to a wider range of equipment and applications. Your people can be more creative and effective with our expansive product line and suite of services.

Together let's discover how our Nationwide Production Network can help you meet your goals.
